Faris Zejnelovic is passionate about helping people get the justice they deserve after a serious injury. His motivation came after seeing people in his own community being taken advantage of by the big insurance companies. Today, as a personal injury and workers' compensation lawyer, his mission is to get clients every single benefit they're entitled to receive under the law.

Faris joined Montlick & Associates in 2014. He takes pride in not leaving anything on the table when it comes to winning for his clients. Born in the European sovereign state of Montenegro, Faris has also lived in Bosnia and Germany. He is fluent in Bosnian, Croatian, Serbian and German. Since 1998 he's called Gwinnett County home.

Faris's personal and professional experiences have molded him into the passionate lawyer he is today. When he is not fighting on his clients' behalf, Faris enjoys family time with his two young sons and his wife, Azra. He started training at an early age (age 7) to become skilled at Taekwondo. In 2010 he began training to compete in mixed martial arts. Faris is also a true diehard Atlanta sports fan. Whether the home teams are winning or losing, he can be found cheering hard for the Falcons, Braves, Hawks, and the Atlanta United.
