Lynn Walker is a passionate, hardworking advocate who has devoted her entire career to helping others. Prior to becoming a personal injury litigator in 2007, Lynn was a registered nurse for over 20 years. Her medical training and experience allow her to see issues through both a clinical and legal lens and have led to multi-million dollar wins for her clients. She has the ability to understand complex medical issues and to relate to her clients with empathy and compassion as she fights for justice on their behalf.

Lynn is a strong and determined individual, with a deep love for learning. She received two Nursing degrees: a Bachelor of Science from the University of Maryland and a Master of Science from Georgia State University before receiving her Juris Doctor from Georgia State University College of Law.

Lynn cares deeply about her clients, her family, and her community. Whether engaging with clients, volunteering at her church, or enjoying time with her 3 children and 4 grandchildren, she is guided by her favorite words from Aesop: *"No act of kindness, no matter how small, is ever wasted."*

Lynn also has a deep love for the outdoors and enjoys hiking in the North Georgia Mountains. When heading out, she always reaches for her camera, in hopes of capturing one of nature's masterpieces.
