Nora-Jane was inspired to become a lawyer by her parents; both are attorneys who met each other at law school. Today, Nora-Jane conducts her own practice with a deep passion for helping others in their time of need. Every day she looks forward to speaking with her clients and providing them with the trust and kindness they deserve.

Nora-Jane earned her undergraduate degree from London Metropolitan University, where she studied Law and French, before receiving her post graduate diploma in legal practice from The University of The West of England, Bristol. In 2005, after completing a two-year training contract at a law firm, Nora-Jane qualified as a Solicitor in England and Wales.

After work, she goes home to her lovely husband and daughter. She also enjoys traveling and experiencing different cultures and cuisine.
