

Are You Ready to Use a Seat Belt?

Take our 5-Step Test to find out.
Read each question. Circle Yes or No.

1.

Is your back flat against the back of the vehicle seat?

Yes or No

2.

Do your knees comfortably bend over the seat edge?

Yes or No

3.

Does the seat belt sit across the middle of your shoulder?

Yes or No

4.

Does the seat belt sit low across your hips and touch your thighs?

Yes or No

5.

Can you sit this way for the whole trip?

Yes or No

If you answered NO to even one question, you must still ride in a booster seat.

You must answer YES to all the questions, then you are big enough to safely ride using a seatbelt only.
